

NADAAA

TIMOTHY WONG, AIA, RIBA, LEED AP SENIOR TECHNICAL ARCHITECT

Tim Wong leads NADAAA's technical team, with over 25 years of professional experience. He has expertise in all phases of the building cycle, particular interest in building envelope performance, and thorough knowledge of the Massachusetts Building and Energy Codes, IBC, AAB, and ADA. Wong has most recently overseen construction drawings on the Daniels Building project for the University of Toronto as well as overseen construction documents for the Beaver Country Day School renovation and expansion. He also worked on the award-winning Melbourne School of Design project. While at Elkus Manfredi Wong worked on several office fit-out projects in Boston.
