

# NADAAA

## AARON WELLER, AIA, NCARB

### PROJECT MANAGER

Aaron Weller, AIA, NCARB recently joined NADAAA as a project manager. He is currently managing the renovation of dormitories for the Rhode Island School of Design. He was previously Designer and Project Manager at ORG Permanent Modernity (2014-2018) and Gray Organschi Architecture (2008-2010). At ORG, he led numerous architecture and urban design projects including: competition phase of a mixed-use urban block redevelopment in City Center Brussels (2017, 2nd prize); long-term vision and feasibility study for a mixed-use development in Union Square, Somerville (2014-2017); senior urban designer for metro-area urban plans for Ghent, Belgium and Marseille-Aix-en Provence, France with a focus on regional transit (2014-2015); and he was project manager and design lead for the African Agribusiness Pilot Research Facility in Ghana, which was awarded a 2016 “Un-built Honor Award” from the Boston Society of Architects (2014-2016). Aaron holds a Master of Architecture from the University of Michigan (2012) and a Bachelor of Architecture from Drury University (2005). He is a registered Architect in the Commonwealth of Massachusetts since 2016.
